

We hold classes for groups of 4 or more. Whether it's a gals night out making jewelry or a birthday party, we have projects for all ages, skill ranges and budgets. Listed here are several inclusive classes in which the materials are included in the class Fee. There are also lots of examples around the shop and on our website for projects that can be made. Another benefit for group classes is that we will work around your schedule. Classes should be scheduled a minimum of a week in advance and a deposit is required to hold the date.
